## April 2017 Meeting

April 6th, 2017

---

- The meeting was called to order at 7:00 PM at Ray's Restaurant, Wellsville, PA by Vice President Ron Cassar.
- Minutes from the March meeting were read and approved.
- Treasurer's report was read and approved.
- Introduction of visitor John Lambert who gave us a brief discussion on where he is from and what his interest is in being in a "Club Atmosphere". He is from Maryland and has a used Rotec Rally (similar to a quicksilver) ultra-light and is here looking for any advice in flying.
- Ron contacted last year's vendors and the only one interested in coming back is the barbecue vendor. Roger also said that the Latin American Missions would be there too. Ron opened up discussion on whether we wanted to just let the vendor's handle our food needs and not have our own people working during the Fly-In.
- It was moved that we NOT do a dinner this year and let the vendor's take care of our food needs.
- The Club will still sell water and soda this year at our registration tent.
- A discussion on the Helicopter personnel was open and it was decided to only have one company provide service for our event this year.
- Tents will again be provided for this year's event.
- A work party was scheduled for May 6<sup>th</sup> at 9:00am at the bunkhouse.
- Mowing at the airport was discussed and will be done again through e-mail contact and a list of volunteers compiled for scheduling.
- Movies were discussed for this year and we would like any movie with a "family friendly" flying theme. Magnificent Men in their Flying Machines and Fly Away Home movies were mentioned.
- We will not be hosting the triumph car parade this year and will be looking for someone to host our opening ceremonies.
- Roger will contact the Boy Scouts to see if they will again bring in our colors for the opening ceremony.
- Ed reminded the club that this year is our 30<sup>th</sup> anniversary of the Club and the 28<sup>th</sup> year for our annual Father's Day Fly-In.
- T-Shirts were discussed and authorized for 4 dozen of various sizes.
- The meeting was adjourned with no further business.
- Hangar flying stories and discussion continued.

Rotec Rally - Enjoy! See you all at the next meeting.
