August 2016 Meeting

August 4, 2016

- The meeting was called to order at 7:00 PM at the Dover Valley Restaurant, Dover, PA by Vice President, Ron Cassar, with 9 members present.
- Ron discussed moving our meeting back to the Wellsville area. All agreed. Our next meeting will be September 1st at Ray's Restaurant in Wellsville at 6:00pm if ordering a meal and 7:00pm for the meeting. Directions will be posted on our website. Ron will confirm reservation for next month.
- Discussed vendor locations for next FDFI and we will need to move the gas further down the runway out of range of the vendors.
- Discussion about the vendors was positive and we will be asking the same vendors to be at next year's Father's Day Fly-In. We will try to inquire earlier for their services as they get booked up early.
- We want to also ask the people who brought the helicopter in for the teddy bear drop to come again next year.
- We decided/determined that we need to get advertising out much earlier to allow time for patrons to plan for attending.
- Roger requested that the Kona Ice truck be requested for next FDFI.
- Thanked Glen for his entertainment on Saturday playing multiple instruments and Bill for coming in "clown" to the Fly-In.
- Discussed going to Grimes as a group again this year. Jerry will look into when it is and get the word out.
- Discussed having an Autumn Fly-In at Shreveport. Will discuss further at next meeting.
- The Treasurer's report was read and approved.
- The minutes of the July meeting were read and approved.
- When closing up the bunk house this year we need to get a compressor to blow out the water lines so we don't have any freezing up like last year.
- The meeting was adjourned at 8:20 PM with no further business.
